Dear Sir,

## Election of Option II

In reference to your communication dated 6/20/2005 received today in my office in Owerri, Nigeria. I telephoned you and Linda Dvorak but was not successful. I want to elect for examination paragraph II Claims 9-20, drawn to a method for cooling and rewarming of CSF in the brain with an internal heat exchange, classified in class 607, subclass 105.

I thank you in anticipation.

Yours truly,

**Dr Philip C. Njemanze**
